GitLab repo

The screenshot shows the GitLab interface for a repository named 'staff-staff-ivan-Luchsh-chopik'. The left sidebar contains a navigation menu with options like Project overview, Pinned, Issues, Merge requests, Manage, Plan, Code, Build, Pipelines, Jobs, Pipeline editor, Pipeline schedules, Artifacts, Secure, Deploy, Operate, Monitor, Analyze, and Settings. The 'Build' section is highlighted. The main content area displays project statistics (11 Commits, 2 Branches, 0 Tags, 76.1 MiB Project Storage) and a table of CI/CD jobs. A red arrow points from the 'Build' menu item to the 'Pipelines' section, with the annotation 'Здесь код задают' (Here the code is set). Another red arrow points from the 'cmake' job entry to the 'Pipelines' section, with the annotation 'Здесь можно посмотреть на запуски CI (те самые submits на сайте)' (Here you can look at CI runs (those submits on the site)).

Name	Last commit	Last update
cmake	feat: Import project	4 days ago
contrib/catch	feat: Import project	4 days ago
deadlines	feat: Import project	4 days ago
